Remember: Nothing kills a buzz like getting pulled over for buzzed driving. It could cost you \$10,000 in legal fees, court costs, and higher insurance rates. Don't spend your Christmas money paying for a bad choice; be smart and drive safely.

[The Marines will be in the cafeteria during lunch today.](#) Please stop by if interested.

GHS Student Council would like to improve local families' access to food this holiday season by partnering with Greenville's FISH Pantry as well as directly giving to families in need. This week Student Council members will accept non perishable food, disposable household supplies and monetary donations. There will be a doughnut party in January for the first period class with the highest participation rate! Please see GHS' Twitter and Facebook for a list of items needed!

Attention Students: Student Council is creating Christmas cards to send to our local veterans and first responders. Please join us and create a card thanking our local heroes for everything they do! You can give your Christmas cards to Mrs. Shaffer, Jada Garland, or the student council member in your 1st period class collecting FISH pantry donations.

Don't forget tomorrow is Thursday so that means FCA will be meeting during the lunch periods! Join FCA tomorrow for lunch in the Media Center.

Pre-sale tickets for Friday's Boys Basketball game at Sidney are on sale in the Athletic Office. Adult tickets are \$6 and Student tickets are \$4. Get your tickets early and come out and support your Green Wave!
