Student Council is putting on their annual canned food /hygiene drive for the month of November. So many people here in our own community are in need of food and hygiene items. These items could be toothbrushes, toothpaste, body wash, deodorant , and shampoo. Please consider bringing in one or two items. Bring these items to your Wave Time for a chance at a donut party. The winning Wave Time who receives the most items by Nov. 17th will win! The dates for the drive are Nov 8th through next Friday, Nov 17th. We will be delivering these items to Community Action on that Friday.

We are also in competition with the middle school. We beat our goal last year, and this year our goal is 1000 items! So, lets bring in as many items as we can, and beat the middle school for a second year in a row!! GO Wave!! Reminder: Student Council members, please check your emails.

Wave Time teachers:

Students received an email with a link to a district technology survey. Please have the students access their email during Wave Time to complete the survey. Thank you.

Night out with the Wavares is this Friday November 10th at 7:00pm at Memorial Hall. Mrs Whirledge will be selling \$2 student and staff tickets in the choir room. Please stop by before school or during Wave Time to get your ticket to the show!
