Meeting Jan 9, 2020 - Greenville City School District Board of Education

1. Recommended approval of a resolution for the Greenville City School District to participate in the OSBA Legal Assistance Fund:

WHEREAS, the Greenville City School District Board of Education wishes to support the efforts of other boards of education to obtain favorable judicial decisions and,

WHEREAS, the Ohio School Boards Association Legal Assistance Fund has been established for this purpose,

THEREFORE, the Board hereby resolves to participate in the OSBA LAF for calendar year 2020 and authorizes the treasurer to pay the LAF \$250.00.

2. Recommended approval of a resolution for the Greenville City School District to oppose the State of Ohio EdChoice Scholarship (Voucher) Program:

WHEREAS, the Ohio legislature has recently made amendments which greatly increase the number and availability of vouchers for students to attend private/parochial schools at public tax expense, and

WHEREAS, such vouchers will be available to numerous families and students who have never attended Greenville or any other public schools and for whom state funding has never been provided to Greenville or any other public schools, and

WHEREAS, Greenville's state funding will be unjustly decreased by the amount of the vouchers provided to such families and students who have not and will not attend public schools and others who transfer to private/parochial schools, and

WHEREAS, the estimated loss of revenue to the Greenville City School District over the next four (4) years is \$3,250,800 which would devastate the District's finances, and

WHEREAS, private/parochial schools accepting students with public tax vouchers would not be required to accept all students but would be permitted to retain their selective admission policies without enforcement of other laws applicable to public schools, and

WHEREAS, private/parochial school students are not subject to the testing standards required of public school students so that the actual performance of private/parochial schools subsidized with public tax dollars will not be known, relative to equivalent public school evaluation standards, and

WHEREAS, this Board believes that the EdChoice voucher program as it currently exists presents serious constitutional issues regarding the separation of church and state and the funding of religious institutions with public tax dollars, and

WHEREAS, the State of Ohio has the constitutional responsibility to secure a thorough and efficient system of common schools, and

WHEREAS, the EdChoice voucher program will have exactly the opposite effect by providing funding to private/parochial schools at the expense and to the detriment of public schools and their students.

NOW, THEREFORE, BE IT RESOLVED by this Greenville City School District Board of Education that this Board reaffirms its commitment to free accessible public schools which are adequately and equitably funded to guarantee a comparable education for ALL children and therefore opposes and respectfully requests the repeal of the ill-conceived EdChoice voucher program of the State of Ohio.

BE IT FURTHER RESOLVED that this Board opposes any funding programs, vouchers or otherwise, that have the effect of diverting public tax dollars from public schools to private/parochial schools.

BE IT FURTHER RESOLVED that the Treasurer is hereby authorized and directed to forward copies of this Resolution to all Ohio state legislators, the Superintendent of Public Instruction and Governor of the State of Ohio.

3. Recommended approval of the following resolution:

Subject C. Resolution Approval
Meeting Feb 20, 2020 - Greenville City School District Board of Education
Category 8. SUPERINTENDENT'S BUSINESS - REQUESTS
Type Action

1. Recommended the approval of the following resolution:

The Greenville City School District will enter into a facility improvement and energy savings project as proposed by Energy Optimizers, USA, LLC. This project will result in significant lighting improvements and operational and maintenance savings for the District facilities. The Ohio Council of Educational Purchasing Consortia’s LED Lighting & Energy Savings Program procurement method shall be utilized for the procurement method for this project.

Rationale:

1. The need for energy and facility improvements has been identified, including LED lighting upgrades, and other energy savings enhancements, which has a not to exceed project cost of \$191,250, prior to any utility rebates of \$36,850, which will be applied for by Energy Optimizers, USA LLC on behalf of the District.
2. The Ohio Revised Code and Ohio Administrative Code prescribe the process that must be followed for a public-school to procure goods and services. The Ohio Council of Educational Purchasing Consortia implemented a comprehensive RFQ and RFP process that meets their competitive bid requirements.
3. As a Public School in the State of Ohio, and a member of the Ohio Council of Educational Purchasing Consortia, Greenville City Schools may utilize this competitively bid procurement method to implement the project as proposed by Energy Optimizers, USA, LLC.

The Greenville City School Board of Education resolves as follows:

Based upon the recommendation of the Administration, the Board authorizes the Superintendent and Treasurer to enter into an agreement to implement the turnkey facility improvement and energy savings project for Greenville High School and Career Technology Facilities as proposed by Energy Optimizers, USA, LLC for an amount not to exceed \$191,250. This agreement is contingent upon the following conditions:

- a. The final project cost is at or less than \$191,250;
- b. Energy Optimizers, USA, LLC agree to apply for utility rebates funds of \$36,850 on behalf of the District;
- c. Energy Optimizers, USA, LLC provides verification to the district as an approved vendor for the Ohio Council of Educational Purchasing Consortia’s LED Lighting & Energy Savings Program.

BE IT RESOLVED by the Board of Education of the Greenville City School District (herein the "School District") two-thirds of all members voting in favor thereof:

SECTION 1. That it is hereby declared that the amount of taxes which may be raised in this School District within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide an adequate amount for the necessary requirements of this School District.

SECTION 2. That pursuant to the provisions of Section 5705.21 of the Ohio Revised Code, it is necessary that a renewal tax be levied on the entire territory of the School District in excess of the ten-mill limitation for the benefit of this School District, for the purpose of current expenses at a rate not exceeding five and one-half (5.50) mills for each one-dollar (\$1.00) of valuation for a period of five (5) years. Said tax is proposed to renew an existing five and one-half (5.50) mill, five (5) year levy authorized by a majority of the electors of the School District voting on said proposition at an election held on November 3, 2015.

SECTION 3. That the question of the adoption of said renewal tax levy shall be submitted to the electors of the entire territory of the School District at the election to be held on November 3, 2020. If approved by the electors, said renewal tax levy shall first be placed upon the 2021 tax list and duplicate, for first collection in calendar year 2022.

SECTION 4. That pursuant to Section 5705.03 of the Ohio Revised Code, the County Auditor is hereby requested to certify to this Board of Education the total current tax valuation of this School District and the dollar amount of revenue that would be generated by the number of mills specified in Section 2 hereof, and the Treasurer of this Board of Education be and is hereby directed to certify forthwith a copy of this resolution to the County Auditor as required by law so that said County Auditor may certify such matters in accordance with Section 5705.03 of the Ohio Revised Code.

Category 8. SUPERINTENDENT'S BUSINESS-Requests
Type Action

1. Recommended approval of the following resolution:

Whereas, the deduction of funds from the School District by the Ohio Department of Education and payment of those funds to private schools (Educational Choice, voucher funds) diminishes the amount of funding and the levels of educational opportunity for the education of the pupils in the district and

Whereas, the deduction of school voucher funds from the School District further reduces the funding available to support the additional needs of district minority pupils, pupils in poverty and pupils with disabilities, and,

Whereas, the deduction of school voucher funds from the School District increases reliance on local tax revenue to maintain school operations in violation of the Ohio Constitution and clear directives of the Ohio Supreme Court.

Section 1. Now, Therefore, The Greenville Board of Education finds and determines that the deduction of school voucher funds from the Greenville School District is harmful to the district, its pupils, taxpayers voters and staff.

1. Recommended approval of the following resolution:

RESOLUTION ADOPTING A CALAMITY DAY ALTERNATIVE MAKE-UP PLAN

WHEREAS, the Greenville City Schools Local board of education desires that students have learning opportunities even when schools are closed for any of the reasons specified in section 3313.482 of the Ohio Revised Code; and

WHEREAS, section 3313.482 authorizes a board of education to file an annual plan with the Ohio Department of Education by August 1 of each year to provide online learning opportunities for students in lieu of attendance on such excess days;

NOW THEREFORE BE IT, AND IS, HEREBY RESOLVED that the Greenville City Schools board of education hereby approves the following plan and authorizes its filing with the Ohio Department of Education.

PLAN FOR ALTERNATIVE MAKE-UP OF CALAMITY DAYS (BLIZZARD BAGS)

Pursuant of Ohio Revised Code section 3313.482, the board of education of Greenville City Schools hereby authorizes the following plan to allow students of the district to access and complete classroom lessons in order to fulfill up to a maximum of the number of hours that are the equivalent of three school days because of the closing of schools for any of the reasons specified under section 3313.482.

1. This plan is submitted, pursuant to approval of the board of education, prior to August 1, 2020.
2. This plan includes the written consent of the teachers' employee representative as designated under division (B) of section 4117.04. Such consent is on file in the official file of the board of education and is hereby incorporated into this plan as if specifically rewritten.
3. Not later than November 1 of the 2020-2021 school year, each classroom teacher shall develop a sufficient number of lessons for each course taught by that teacher with such lessons requiring, in the

judgment of the teacher, an amount of time equal to or greater than the number of hours that are the equivalent of three school days in such teacher's class.

4. The teacher shall designate the order in which the lessons are to be completed.
5. Teachers will update or replace such lessons as necessary throughout the school year based on the instructional progress of students.
6. As soon as practicable after an announced school closure authorized under section 3313.482, staff members designated by the appropriate administrator shall use the Blizzard Bag assignment with students. One lesson shall be posted for each course that was scheduled to meet on the day of the school closing.
7. Each student enrolled in a course for which a lesson is provided shall be granted a two-week period from the date of posting to complete the lesson. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided.
8. "Blizzard Bags" shall be distributed to all students electronically by not later than December 1, 2020 of the school year or such other date as may be selected by the superintendent. Students shall submit completed lessons to the teachers assigning such lessons not later than two weeks after the date of school closing for which the blizzard bags are assigned.

8. Recommended approval of the following resolution:

A RESOLUTION TO ENDORSE THE FAIR SCHOOL FUNDING PLAN, AS INTRODUCED IN THE SENATE COMPANION BILL TO SUBSTITUTE H.B. 305, AND TO ENCOURAGE THE 133RD GENERAL ASSEMBLY TO EXPEDITE THE PASSAGE OF THE BILL.

WHEREAS, the Ohio Supreme Court ruled in *DeRolph v. State of Ohio* (1997) that Ohio's method for funding schools through the state's school foundation program was unconstitutional under Article VI, Section 2 of the Ohio Constitution; and

WHEREAS, in *DeRolph*, the Ohio Supreme Court declared that Ohio's school funding system was over-reliant on local property taxes, and as such, was inherently discriminatory to children based on where they reside for disparities exist between communities of affluence and impoverishment; and

WHEREAS, since the *DeRolph* decision, the Ohio General Assembly has failed to create a funding system that meets Ohio's constitutional standard of securing "... a thorough and efficient system of common schools throughout the state"; and

WHEREAS, Ohio's solution to satisfy the Ohio Supreme Court's order has been to pass a series of biennial budgets containing politically expedient remedies that have not eliminated the over-reliance on local property tax or mitigated the discriminatory nature inherent in the series of "funding fixes" legislated over the last 23 years; and

WHEREAS, Ohio's previous biennial budget crafted by the 132nd Ohio General Assembly, and effective July 1, 2018, through June 30, 2019, created a funding system with "capped" districts, and districts receiving a minimum level of funding referred to as the "guarantee"; and

WHEREAS, the previous biennial budget identified 503 school districts out of 610, or 82%, either "capped" in their funding, or on the "guarantee," which is a testament that Ohio's funding model is not effective; and

WHEREAS, Ohio's current biennial budget crafted by the 133rd General Assembly, froze foundation funding for Ohio schools at 2019 fiscal year levels (effectively placing all districts on "the guarantee"), which funding levels have subsequently been cut due to the economic impact of the Coronavirus pandemic; and

WHEREAS, the current school funding system in Ohio lacks a rational basis for determining both the cost of educating students and how the funding of education is shared between the state and local taxpayers; and

WHEREAS, Representative Robert Cupp (R) and Representative John Patterson (D) convened a statewide workgroup, made up of eight practicing school district CFO/Treasurers and eight practicing Superintendents (the "Cupp-Patterson Workgroup"), to devise a new formula, and recognizing that Ohio needs an overhaul to its school funding system, have spent the last three years determining the inputs necessary to fund a "thorough and efficient system of common schools" that reduces the over-reliance on local property tax and creates equity in the state foundation system; and

WHEREAS, the Cupp-Patterson Workgroup carefully analyzed national research, best practices, actual Ohio school district spending data, and drew on their own extensive experience in educating students and operating school districts to make recommendations for a school funding system that meets the needs of all Ohio's students in the 21st century; and

WHEREAS, the Cupp-Patterson Workgroup developed recommendations that laid out a rational, transparent, comprehensive and – most of all – fair system for funding schools based on the actual cost of providing a basic education for all students in Ohio (the “Base Cost”); and

WHEREAS, the Cupp-Patterson Workgroup developed a method of sharing the funding of the Base Cost between the state and local taxpayers that is easy to understand and based on a fair, defensible measure of the capacity to generate funds locally; and

WHEREAS, the Cupp-Patterson Workgroup identified and provided a framework for providing additional resources to meet needs beyond those of basic education, including the areas of the social, emotional, safety, and mental health of students, the additional challenges driven by students living in poverty, with special needs, with limited English proficiency, and who are academically gifted; and

WHEREAS, the Cupp-Patterson Workgroup developed recommendations for properly funding Career Technology Centers, Educational Service Centers, and Charter and Community schools; and

WHEREAS, based on the research and work outlined above, the Cupp-Patterson Workgroup produced and recommended the Fair School Funding Plan, which was introduced in House Bill (H.B.) 305, and is currently incorporated into and improved upon in a companion bill in the Senate, Senate Bill (S.B.) 376; and

WHEREAS, the Ohio General Assembly and the Governor of Ohio have an opportunity to devise a funding formula, as outlined in the Fair School Funding Plan, that is an investment in Ohio’s children and Ohio’s future.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Greenville City School District, that:

1. It is necessary to formally endorse the Fair School Funding Plan, as introduced in S.B. 376 of the 133rd General Assembly (the Senate companion bill to Substitute H.B. 305), to ensure that K-12 schools in Ohio are funded using a rational school funding system that meets the needs of all Ohio’s students in the 21st century.
2. The Treasurer is authorized to deliver or cause to be delivered a certified copy of this Resolution to community leaders; to members of the Ohio House of Representatives and the Ohio Senate, including Representative Warren Davidson and Senator Matt Huffman; and to the office of Governor Michael DeWine.
3. This Resolution shall be in full force and effect immediately upon its adoption.
