1. The District would like to highlight the following two GHS Career Technology programs for being selected by Ohio School Boards Association to participate in the Capital Conference on November 8, 2021. The programs and advisors were also honored during the Southwest Region Annual Fall Meeting on October 14, 2021. The District is proud of their accomplishment and their dedication to their career paths. A special thank you to Lisa Maher-Strawser and Lori Hoover as well as Andrea Townsend.

IMTV- Never Stop Serving YouTube Series- Instructor Lori Hoover: Greenville CTEC's IMTV program has been working in partnership with the Greenville VFW Post #7262 on a project called "Never Stop Serving." This is a weekly video series that the students record, report, and story the oral histories, pictures, and memorabilia of local veterans. The IMTV students are helping to create Greenville's Veterans Memorial Park and Digital Library. The mission has been very worthwhile as students are getting practical hands-on experience producing relevant material and learning invaluable information directly from our veterans.

Teaching Professions- Before School Childcare - Instructor Lisa Maher: The students in the Teaching Professions program offer before school care for elementary students. Their parents can drop elementary students off after 7:30 and the bus picks them up at GHS and takes them to school. The students work to plan and prepare engaging and pro-social activities for the elementary students in a safe and supervised area. The high school students have the opportunity to try different approaches when working with young children and build their skills in lesson planning.

2. The District would like to highlight Kenna Jenkinson for being named MVL Athlete of the Year in girls golf. The District would also like to highlight Kenna for being the STATE QUALIFIER in Division I Girls Golf. She tied for 22nd place out of 72 participants in the state.
