K-4 NOVEMBER 2022 NEWSLETTER

Dear Families,

November is the time of year when we are reminded to give thanks. We are extremely thankful for the students and parents we serve. You are the reason we are here! 😊 We are also thankful for our community, our volunteers, and our substitute teachers, custodians, and bus drivers. Everyone is working together to ensure that our students are provided a number of opportunities that promote social, emotional, and academic well-being. It definitely takes a village to raise a child, and we are all working together to ensure that your children are well-supported, both inside and outside of school.

End of day changes: According to our school policy, arrangements for end of day transportation changes need to be made before school. A note with a parent signature is required and must be turned into the teacher at the beginning of the school day. Requests by phone for end of day changes will **ONLY** be considered in emergency situations. Requests by phone will be denied for non-emergency situations. Thank you for your understanding!

PBIS: The Wave Way ... Respectful, Responsible, Safe, & Kind

November's PBIS character trait is Gratitude. Students will be talking about what this word means and they will be learning about it through character lessons being offered by our school counselors throughout the month. All students who earn the reward will be invited to join their classroom's Harvest Party on November 22nd, and our Wave Wonder students-of-the-month will be having a special lunch gathering on November 30th. If you have questions about how students earn these rewards, please contact your child's teacher for details.
