- Meet the WAVE WAY expectations in the morning by being responsible; Be responsible for your belongings, put your cell phone away before leaving the cafeteria and bring all of your supplies to class.
- Would you announce that all 5<sup>th</sup> grade string students should report to the Orchestra room for the pizza party before going to recess. 6<sup>th</sup> through 8<sup>th</sup> grade should report during their regular lunch.
- Students, if you are staying after school to wait on a sibling or for any other purpose you MAY NOT go to the elementary side of the building. They are still having class and it is a safety issue for those students. Please wait outside or with the teacher that is keeping you. You may not be in the building unsupervised!
- Any 8th grader that is going on the DC trip needs to turn in their tour participant waiver form once it has been signed. If you did not receive that waiver, please see Mrs. Fitzgerald in the main office during your Wave Time.
- Just a reminder, we are still taking students interested in joining Tidal Waves. Tidal Waves is an after-school group that sings and dances and has fun at the same time. If you are interested in joining, please see Mrs. Thompson for a packet. Our first rehearsal will be Monday, March 17 after school in the choir room.
- A competition between grades starts today. Yes, a competition. It will be a combination of spirit, agility and academic growth and will run through testing. Show you spirit this week during spirit week and earn points for your grade. On Monday, more points can be earned during the testing pep rally. Finally, growth points will be awarded for each tested subject based on the scores for the upcoming test sessions. The key is to do your best and earn a great incentive for your grade during the last weeks of the school year. All you have to do is have fun, work hard and show your Greenville spirit!
- 7th and 8th graders, are you stressed? Do you fidget a lot? Have you always wanted to try something new or do you like those really cute yarn creatures? If you answered yes to any of these questions, then let us introduce you to Crochet Club. Mrs. Thompson and Mrs. Niekamp will be hosting this once-a-week group, learning tools and strategies

to crochet to be able to make new cool things, but to also see how it can help with stress management. For information, please stop by the choir room for a packet. Our first meeting will be Tuesday, March 18, right after school in the choir room. Be sure to sign up early as space is very limited.
