- Waves of Pride will be at the high school Thursday, March 27 from 6:30-8PM. Join us for an evening celebrating the arts. The evening will feature artists in grades K-12, including senior career artists. Bring your friends and family for this evening full of art and music. Hope to see you there!
- Any 8th grader that is going on the DC trip needs to turn in their tour participant waiver form once it has been signed. If you did not receive that waiver, please see Mrs. Fitzgerald in the main office during your Wave Time.
- A competition between grades has started. Yes, a competition. It is a combination of spirit, agility and academic growth and will run through testing. Show you spirit this week during spirit week and earn points for your grade. On Monday, more points can be earned during the testing pep rally. Finally, growth points will be awarded for each tested subject based on the scores for the upcoming test sessions. The key is to do your best and earn a great incentive for your grade during the last weeks of the school year. All you have to do is have fun, work hard and show your Greenville spirit!
- 7th and 8th graders, are you stressed? Do you fidget a lot? Have you always wanted to try something new or do you like those really cute yarn creatures? Mrs. Thompson and Mrs. Niekamp will be hosting this once-a-week group, learning tools and strategies to crochet to be able to make new cool things, but to also see how it can help with stress management. For information, please stop by the choir room for a packet. Our first meeting will be Tuesday, March 18, right after school in the choir room. Be sure to sign up early as space is very limited.
