Be the change "What lies behind us and what lies before us are tiny matters compared to what lies within us." – Ralph Waldo Emerson

Don't forget you change for the PTA penny wars for the next two weeks. Pennies are positive points for your grade level, put silver and dollars as negative points in the other grades' containers to give them negative points. May the best grade win!

Congratulations to the following students who were nominated and chosen for our January Student of the Month:

Fifth Grader: Ian Baumann: Ian was nominated by Mrs. Gibson. Ian was nominated because he does a great job asking questions about what we are learning. The questions he asks takes the class's learning to a deeper level. A great student who is helping his peers learn even more through his high level of thinking!

Sixth Grader: Colby Warner: Colby was nominated by Mrs. Schweser. Colby was nominated because she is an excellent example of the theme "Be the Change". She is naturally curious and pushes herself to succeed. Additionally, she is a genuinely kind and helpful person, going out of her way to help others and be a good role model.

Seventh Grader: Kai Swisshelm: Kai was nominated by Mrs. Colley. Kai was nominated because she has made amazing progress in language arts! She has a terrific attitude, asks questions when needed, and puts effort into her assignments. She makes me laugh and I feel fortunate to work with her every day.

Eighth Grader: Justice Young: Justice was nominated by Mrs. Wenrich. Justice was nominated because he has been working really hard lately. He has also been using his Wave Time to work on making sure that he has his work completed correctly and in a timely manner. His efforts have been paying off with improved MAP scores in our class. His growth in maturity and academics is paying off and he has made a goal to use this momentum toward other classes as well. Great job on your effort and positive attitude!
