Newsletter #29

Notes from Mrs. Rieman

Information about the Invention Fair went home this week. Please read the paperwork and let me know if you have any questions. Your child should create an invention at home. The attached paper should be filled out and returned with their invention on May 9 OR they can make a poster with the same information to accompany their invention. All second graders will be participating in the Invention Fair. The Invention Fair will take place on May 14 during the school day. You are invited to attend. More information will be sent closer to the date.

Happy Easter!
Mrs. Rieman

What We've Been Learning:

Reading: This week we read two Easter-themed stories by Patricia Polacco. We wrote about character traits, problem/solution, and compared the two stories.

Spelling: This week we learned words about words that have the /oo/ sound spelled oo and ew. We will have a test on these words next week.

Math: We learned about fractions, area, and perimeter.

Writing: We wrote about our field trip to 36 Skate Club!

Social Studies: We learned about force, motion, friction, gravity, and inertia on our field trip to the skating rink.

Our Specials Schedule

- Monday- Music
- Tuesday- Library
- Wednesday- Art
- Thursday- Gym
- Friday- **GYM**

Homework

Spelling: though, thought, through, enough
CHALLENGE words: Easter, quadrilateral

Math: Pages 162-163. Turn it in by Friday for Dojo points!

Reading: Read 15 minutes every night.

Upcoming Events
