## Mrs. Brenner's Classroom Newsletter

### Updates/Reminders

Wow! It's April and we have officially complete the first three quarters of the school year. Please see additional information being sent home about a project your child can work on over the extended weekend. This is not a requirement, but an opportunity for them to explore more about what they've been learning in class.

### What we are learning...

- Sight words—All of the words for the first 3 quarters have been taught, along with "said" and "play." Please continue to practice these words with your child.
- Math—In class we have been working on adding and subtracting in many ways. These include using fingers, counters and a number line.
- Reading & Writing—I have read students many different types of books this past month. Some of those books include book about how things are made. Students are now writing How-To Books to teach their readers how to do something they are very good at themselves.
- Science—Students have been learning about sound. Please see the information sent home separately about this.

### Specials-3<sup>rd</sup> Qtr

Monday—Music

Tuesday—Art

Wednesday—Gym

Thursday—Library

Friday— Music (March 29-April 23)  
Library (April 30-May 28)
