

# April News

## Message from the Teacher

As warmer weather is approaching, I know schedules get busy. Please finish the year strong, continue to practice reading and spelling words, and turn in the reading log homework each week.

## Important Dates Coming up

**April 11<sup>th</sup> at 6:00** Spring Musical

**May 6<sup>th</sup>** inventions are due

**May 14<sup>th</sup>** Invention Fair

## What We Are Learning

### Math -

Students have been working on measuring, counting money, telling time, and identifying shapes.

### Reading –

Children are learning to reread passages to find the answers to questions.

### Phonics -

We are reviewing many phonics concepts to help students read multisyllabic words with accuracy and fluency.

## How Can I Help My Child Succeed in School?

Ask your child about school everyday and encourage them to discuss the day. Talking to your child is a great way to naturally build vocabulary.
