

Ohio Improvement Process 2019-2020 Goals

1. For the 2019-2020 school year, at least 80% of students will meet the Proficient level on an additional two or more state assessments (as compared to 2018-2019) in each building, earn a C or higher on the Progress Measure, and earn a B or higher in K-3 Literacy.
2. At the District level, for the 2019-2020 school year, Students with Disabilities will achieve a Performance Index of 62.0 or higher in Reading and 62.8 or higher in Math.
3. At the District level, for the 2019-2020 school year, Economically Disadvantaged students will achieve a Performance Index of 74.0 or higher in Reading and 74.3 or higher in Math.
4. At the District and Building levels, for the 2019-2020 school year, we will meet or exceed Value Added (Progress Measure).
5. At the District and High School levels, for the 2019-2020 school year, we will earn a B or higher in the four- and five-year graduation rates.
