

December Newsletter

Reading

Students will be determining the theme (moral) of a story. They will find text evidence to help determine the lesson that was learned and how it pertains to everyday living.

Writing

This month, students are working on a research project called Christmas Around the World. Students will research Christmas traditions from a specific country and create a poster to present their information to the class.

Word Work

Students' individual spelling lists focus on Orton-Gillingham phonic concepts and red words (high frequency words). Spelling lists are given on Monday, activities to practice are incorporated throughout the week, and tests are on Friday. Grammar skills are also practiced daily using Mountain Language.

Reading Logs:

As a reminder, please have your child add up their minutes they have read each month and sign their calendars. Also, we strongly encourage your child to read over Christmas break.

Progress Book

Since your child is receiving letter grades this year, we encourage parents/guardians to set up an account on Progress Book and check students' grades regularly. Grades will be updated weekly. Information was sent home on how to set up your account. If you need help, please let us know.

I Can...

- *Determine the theme of a reading passage.
- *Find details in the text to support the theme.
- *Apply spelling rules when writing.

- *Present a project from researching a topic.
