Notes from Mrs. Rieman

On Thursday, February 27, our class will be participating in a paper airplane competition. This is our good behavior reward for the month of February. All students are invited to make a paper airplane at home. I will also give the students time in our classroom to make an airplane. The winner of our classroom competition will compete in a grade level competition during an assembly on Friday, February 28. Please contact me with any questions.

Have a great weekend!
