Newsletter #19

Notes from Mrs. Rieman

Just a reminder that next Friday, February 14 is our Valentine party! Information went home in the last 2 newsletters about boxes and cards. Please contact me if you need this information sent home again, or scan the QR code on the front of your child's take home folder.

MAP scores are being sent home today. Please review this information and share it with your child. Please note that this time we took a harder version of the math MAP test, so that could impact your child's score. Please contact me with any questions.

Have a great weekend!

Mrs. Rieman 😊
