What We've Been Learning:

January was all about poetry in room 226. Students read MANY poems and learned about poetry terms such as rhyme, stanzas, and verses. We discussed the theme of poems and point of view. Students have also been writing their own poetry. We spent a lot of time discussing types of figurative language such as similes, metaphors, personification, hyperboles, and alliteration, to name a few.

Our Valentine's party will be on Friday, February 16. Students may decorate bags or boxes at home and bring these in to collect Valentines. Party sign-ups for treats for my home-room will be coming home soon.

Just a note:

- ◆ If you would like to check your student's grades ONLINE via Progress Book, please let us or the office know. Log-in information was sent home the 2nd week of school.
- ◆ Students should be sharing their take-home folders and Agendas with you each night.
- ◆ **Please make sure students are dressing for the weather. Coats and hats come in handy when it's outside recess during the winter months.**
