Updates/Reminders

It is hard to believe that it is February already! Below you will see somethings we have been working on in the classroom. MAP testing is complete, and results have been sent home. I also sent home an updated Academic Growth Sheet with each student. Please make sure your child is practicing reading and writing the sight words at home. This will really help with their reading and writing.

What we are learning...

- Identifying letter names and sounds along with letter formation.
- Sight words—Students have been introduced to 25 sight words. (I, a, can, see, the, we, my, to, do, am, at, up, so, go, and, like, in, is, I, me, be, he, she, on & look) Please continue to practice these words with your child. They need to be able to read and write these words. This week: get & got.
- Math—We are continuing to work on teen numbers as well as developing understating of addition and subtraction problems. This month we will also celebrate the 100th day of school!! It is bound to be FUN!!
- Writing—Students are writing true stories telling who, where & what happened in their story.
