Student Teacher

Please join me in welcoming Emma George to our classroom. Miss George is a 2021 graduate of Versailles and a current Wright State education student. She will be in our classroom on Tuesdays and Wednesdays starting January 9 until the end of April. Welcome Emma!

Students will be taking the winter portion of the MAP test in math and reading on January 11th and 12th.

Just a note:

- ◆ If you would like to check your student's grades ONLINE via Progress Book, please let us or the office know. Log-in information was sent home the 2nd week of school.
- ◆ Students should be sharing their take-home folders and Agendas with you each night.
- ◆ **Please make sure students are dressing for the weather. Coats and hats come in handy when it's outside recess during the winter months.**

What are we learning?

- We will begin discussing all things poetry. We will look at specific terms referring to poems, theme of poems, and the point of view.
- We will also spend a lot of time discussing figurative language such as idioms, similes, metaphors, personification, hyperboles, adages, and proverbs.
 - Students will be writing their own poems.
