Spring 2022

Dear Parent or Guardian:

The Greenville Board of Education requires physical examinations and complete immunizations for all students entering kindergarten, and any student entering first grade (if the child did not previously attend kindergarten at Greenville City Schools). A dental examination is strongly recommended. You may use the attached form.

The School Health Examination Record and Immunization Record must be returned by Monday, August 8, 2022. Please take forms to Greenville Elementary or mail forms to Greenville Elementary at above address. **Do NOT take form to Memorial Hall. Please be sure your child's name and birth date are on the physical and dental forms.**

Sections 3313.671 and 37101.13 of the Ohio Revised Code require that all pupils must **present written evidence (exact dates)** of having received, or are in the process of receiving, immunizations as required by the State of Ohio to enter kindergarten. Immunization requirements must be turned in by the 14th day of school for the student to remain in school. The following are the requirements for all kindergarten students:

Immunization	Required Dose
DTaP/DTP/DT/Td	5 doses
Polio	4 doses
MMR	2 doses
Hep B	3 doses
Varicella (chicken pox)	2 doses

If there is a medical reason why immunizations cannot be obtained, it must be reported in writing by the family physician. Objection on religious grounds is a valid exemption only when a written statement to this effect is signed by a parent or guardian.

The Darke County Health Department will provide immunizations on Tuesdays from 8:00 AM to 10:30 AM and 2:00 PM to 5 PM. The Darke County Health Department is located at 300 Garst Avenue, Greenville, Ohio. Immunization clinic is by appointment only. Please call (937) 548-4196 #3.

Sincerely,

Beth Shellhaas, RN, BSN, CSN
School Nurse
