Updates/Reminders

Hello! It is hard to believe that March is here already. We have a busy month ahead of us with many activities going on here at school. To start the month off, the first week is Read Across America week. Info was sent home last week about dress up days. We will also be doing many things in class centered around this. Please continue to charge iPads at home so they are ready to be used in the classroom.

What we are learning...

- Sight words—Students have learned to read and write 31 sight words. (I, a, can, see, the, we, my, to, do, am, at, go, so, up, and, like, is, in, it, me, be, he, she, on, look, you, got, get, are, his & her) They are learning the words "come" and "for" this week. Please continue to practice these words with your child.
- Math—Understanding place value with teen numbers and solving simple addition and subtraction story problems
- Reading & Writing—True stories that tell who, where & what—Students are writing books about something that has happened to them or something they have done.
