Updates/Reminders

It's hard to believe that we have finally made it to our last month (plus 3 days in June) of school. We have been very busy learning here at school and will continue to work hard right up to the last day.

What we are learning...

- Sight words—All of the words for the first 3 quarters have been taught, along with said, play, they, down, was, went, & put. Please continue to practice these words with your child.
- Math—In class we have been continuing to work on adding and subtracting in many ways. These include using fingers, counters and a number line. Student have also been learning about 2d and 3d shapes. They will soon be learning about measurement.
- Reading & Writing—Students have been learning to form an opinion about books they've been read and writing persuasive writings to share their feelings.
- Science/Social Studies—Students will be learning about physical properties and maps in the days to come.
