Updates/Reminders

We are now officially through the first quarter of school! Wow, time flies when you're having fun! ☺ It was great to meet with everyone for parent-teacher conferences, rather it was in person or on the phone. There are some changes being made to the sight words we are teaching this year and they order they will be taught. Once this is finalized, I will update the sight word paper that I gave you at conferences and get you a new copy. If you ever have questions about anything, please let me know.

What we are learning...

- Identifying letter names and sounds along with letter formation.
- Sight words—Students have been introduced to 9 sight words. (I, a, can, see, the, we, my, to & do)
Please continue to practice these words with your child. They need to be able to read and write these words.
- Writing stories—Right now these stories are drawings that we tell about. Students are working to add labels to their pictures and will soon begin to write sentences. ☺
- Identifying and writing numbers 1-10. Also, showing these numbers in a variety of ways.
