

MRS. BRITSCH'S AND MS. VOKE'S 4TH-GRADE CLASS

November

No School

There will be no school on Wednesday, Thursday, and Friday, November 22, 23, and 24. Have a happy Thanksgiving holiday!

Happy Thanksgiving

Parent-Teacher Conferences

Parent-teacher conferences are scheduled for November 7, 9, and 14 from 4:15 – 7:15. You will be receiving information regarding conferences soon from our teaching family.

Contact Us!

Remember, you can feel free to contact Mrs. Britsch at home or school about anything that concerns her classes. If you call after school, please call before 8:30 pm. Mrs. Britsch's cell phone number is 1-937-470-5426. You can also contact her through email at lbritsch@gcswave.com. Ms. Voke can be contacted at bvoke@gcswave.com.

MATH

During the month of November, we will be focusing on multiplication and division strategies. By the end of the month, students should be able to demonstrate the following learning targets:

- I can use strategies to solve multiplication story problems.
- I can use the multiplication algorithm.
- I can use distributive property to solve multiplication problems.

SCIENCE/SOCIAL STUDIES

We will be finishing up our Earth Science unit before starting to learn about Ohio geography.

- I can explain where I live in the world.
- I can use cardinal and intermediate directions.
- I can use absolute and relative location.
- I can use a map scale.
- I can create a map of Ohio.

Math Facts

Please encourage your child to practice his/her math facts each evening. Students can use flash cards or online games to assist them with practicing. You can feel free to make learning these math facts as fun as possible. Please contact me if you have any questions about the math facts.
