Notes from Mrs. Rieman

A paper went home yesterday explaining the book character dress up day which will be on Thursday, October 31. Your child needs to come dressed as their favorite book character that day, and bring the book that the character comes from. They should also fill out the paper about their character that is on the back of the information page. Please let me know if you have any questions or if you need another paper sent home! Thanks for your help with this. It is always a fun day to see the students in their costumes!
