"Every minute, somewhere in the world, a woman dies from breast cancer. That's more than 1,400 women every day. A man's lifetime risk of breast cancer is about 1 in 1,000. Each year, it's expected that about 2,670 men will be diagnosed with breast cancer in the US, and about 500 will die. This Thursday, October 8th is PINK Out day here at Greenville High School!
