- October 27* Fall Fest
- October 27* End of 1st Quarter
- November 2* Picture Retakes
- November 7* PTA meeting 6:00 pm

What We Are Learning

Math Students have been separated into small math groups and are learning patterns in numbers. Students have also been working on ixl- an app that teaches math skills.

Reading Students have begun reading in their leveled guided reading groups. We are also working on reading short passages and answering comprehension questions.

Spelling Students will have a list with high frequency words and new concept (phonics rule) each Friday with a test the following Friday. Please have your child practice these words as part of their homework.

Social Studies Students learn about the importance of rules and laws, as well as the structure of our government.

How Can I Help My Child Succeed in School?

Make sure your child is getting plenty of sleep, a good breakfast and is ready for school each day.
