## WHAT ARE WE LEARNING?

We are off to a great start in 1<sup>st</sup> grade!

These first few weeks we have been busy learning and reviewing school rules and routines, as well as getting to know one another!

Our goals this month in reading and writing include:

- Reading at least a text level D book
- Naming and describing the characters, setting and events of a story
- Quickly knowing letter names and sounds and using them to blend CVC words
- Writing a story with 2 or more events, in order

As you can see, we will be busy learning and growing together!

In the next few weeks, students will begin bringing home books to read and practice.

Please make it a goal to read with your child most nights a week!
