September 29- GES spirit wear orders are due

October 2 thru 6- Homecoming Week

October 3- PTA meeting in Ms. Bowers room 6:00pm

October 4- Fundraiser orders are due

What We Are Learning

Math - We have been learning daily routines such as Problem of the Day (story problem) and number talk (mental math). Students are also learning place value concepts with hundreds, tens, and ones.

Reading – We have read realistic fiction stories about how families around the world have similarities and differences. At home, students need to be reading at least 15 minutes-4 times a week and filling out their reading log to turn in each Friday.

Writing - We are writing personal narratives, which are true stories from events that have happened in our lives.

Spelling - We learn phonics skills to help us with our reading and writing. We work on a phonics skill and high frequency words in the room during the week. Students should also be practicing their spelling words at home. Students have a spelling test every Friday.

How Can I Help My Child Succeed in School?

Read to or with your child every night.
