

## Valentine Boxes

On February 16<sup>th</sup> we will be celebrating all of the friendships we have made in school by having a Valentine party and card exchange. Please decorate a box or bag with your child to collect their cards. You can decorate it however you'd like, just be sure to leave a good size opening for cards and treats to be put in and taken out. Your child will also need to bring Valentines for everyone in our class. **We have 16 students.** Please make sure to have your child write their name on the "from" line. They do not need to put individual names on the cards, but if they'd like to, see the list below. Please contact me if you need your child to decorate a bag at school, or if your child needs Valentine cards.

**Please have your box or bag to school by Friday, February 16.**
