

MEET YOUR TEACHERS!

Hi! My name is Mrs. Yohey.

I will be your teacher for math, science and social studies each morning. This will be my 18th year as a teacher! I graduated from Greenville High School in 2002. GO WAVE! Following graduation, I attended Wright State University where I obtained my bachelor's degree. In 2011, I received my master's degree from Miami University.

My husband and I are proud parents of four wonderful children. We value spending time together and being in the great outdoors!

Learning new things is important whether you are a first grader or a grown up. I am very excited to get the school year started. We have so much growing to do!

Hi! My name is Mrs. Arnett.

I will be your teacher for Language Arts in the afternoons. This will be my 18th year as a teacher! I also graduated from Greenville High School in 2002. GO WAVE! Following graduation, I attended Indiana University where I obtained my bachelor's degree. In 2011, I received my master's degree from UD. I am also a trained Reading Recovery teacher and spend my mornings providing reading intervention, working one on one with 1st graders.

My husband, Joe, and I have one daughter, Brooke, who is a 2nd grader at Greenville this year. We like to spend time together taking bike rides and swimming in our pool, or maybe you will see us at the fair!

I am excited to meet you soon and get the school year started. It's going to be great!

Please come to Open House to meet us and bring in your school supplies! K-4 Open House is Thursday, August 25 from 4:30-6:00.

Be sure to stop by both of your classrooms, room 118 (Mrs. Yohey) and room 111 (Mrs. Arnett).
